MAKING A DIFFERENCE IN YOUR WORLD

Timesheets & Expenses

With MX-SmartTimer, you will find the solution to your Time Sheets tracking problems. Instead of carrying on using 10 different timesheet formats to track the time and expenses you have to pay to your employees, why don't you use a smart timesheets system instead?

FEATURES

- Integrated to worldwide time zone;
- Use of Attendance Types to automatically generate basic payments ;
- Ability to override Ordinary Hours payments ;
- Ability to allocate overtime hours on the timesheets ;
- Ability to view and control any type of time bank ;
- Access to summary of hours to be paid and expenses ;
- Easy identification of weekends and public holidays ;
- Ability to enter unlimited attendance sessions on the same day ;
- Smart Workflow Approval process ;
- Business intelligence Dashboard Reporting is used to track time in real-time.

BENEFITS FOR YOUR ENTIRE ORGANISATION

- Timesheets will be available online 24 hours a day, 7 days a week ;
- Flexibility on when to approve timesheets (e.g. daily, weekly or fortnightly) ;
- Flexibility on when to enter timesheets and expenses by the employees ;
- Email notifications of timesheets that need to be approve ;
- Transparency in the status of the timesheet ;
- Functionality to Push Back timesheets ;
- Ability to view historical timesheets.

Mx-SmartTimer Works for you. Not the other way around !

MX-SmartTimer will effortlessly standardize your timesheets work flow processing and will make your life much more easier from the request for leave of absence up to the overtime request and expenses to be approved. Your payroll hassles will end with MX-SmartTimer.

Now, no more excuse from employees or managers because your entire timesheets & expenses process will first happen in the cloud as it is integrated to your personal workflow approval, and then transferred to your payroll, from anywhere at any time.

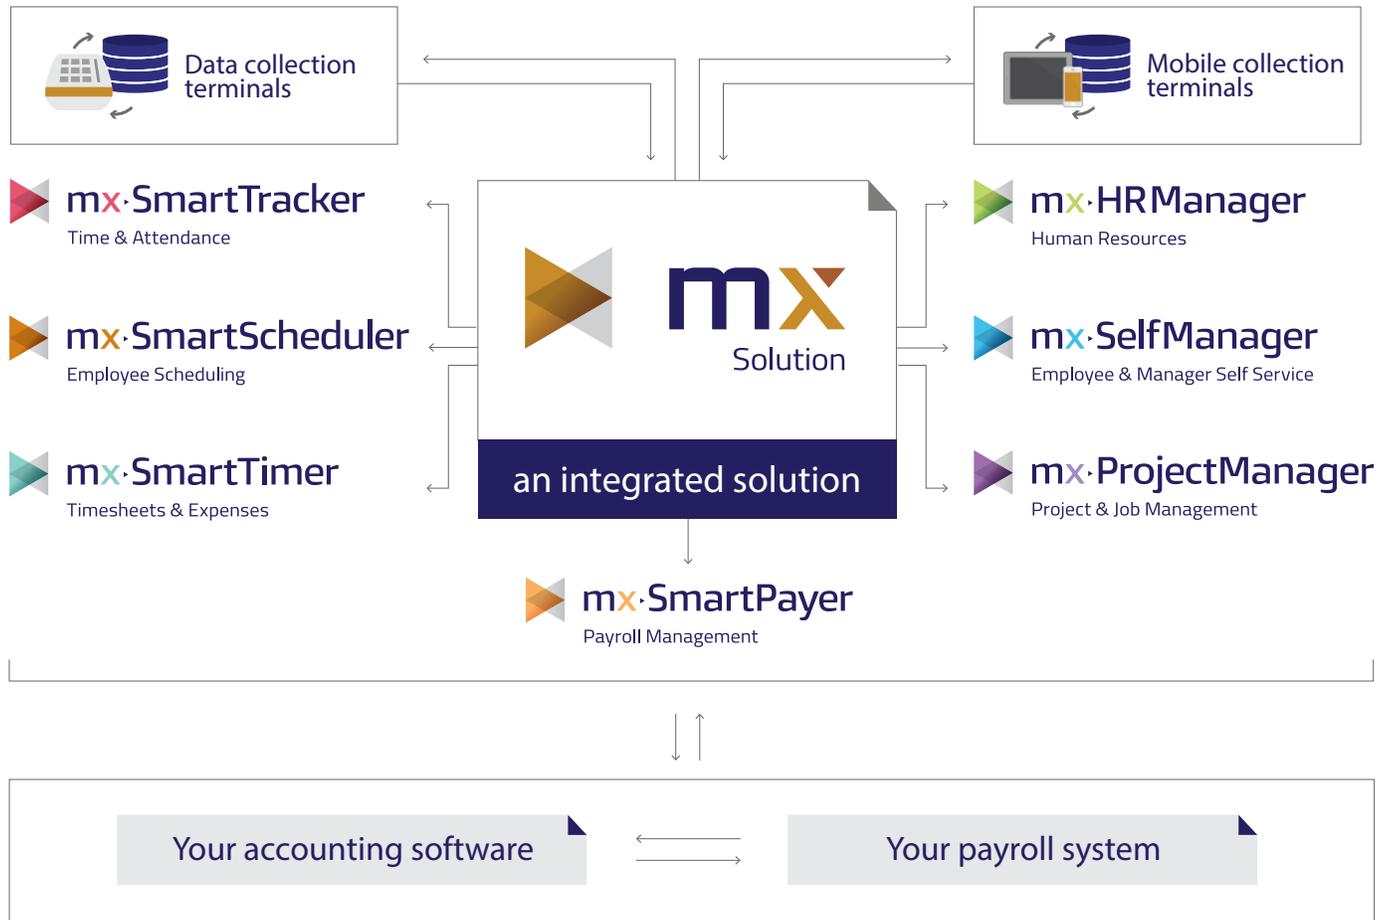

Whether you prefer to use your tablet or your computer, MX-SmartTimer has been designed for the busy user like you, to unshackle that extra precious time that we all wish we'd have more often in our smart working day.

No more additional cumbersome clerical work. Time & expenses tracking has never been so easy with the MX-SmartTimer.

Our other products

MPEX Business Solutions offers a wide range of productivity and workforce management business solutions.

Workforce on demand

Whether your payroll consists of 50 or 5 000 or just a few employees, our integrated solution for Employee Time Sheets & Expenses, Employee Scheduling, Time & Attendance, Project & Job Management or Human Resources, is designed to help companies of all sizes efficiently manage their internal Workforce processes.

With MPEX, only one database is required to manage your entire workforce Management Information.

Avoid duplicated data entries with only one location where you can find all the employee profiles and data you need, from anywhere at any time, from MX-Solution in the cloud as a service (SaaS).
